

## ***MINUTES OF MEETING***

Meeting of July 14, 2008

***8:00 a.m.***

Cheyenne, WY

### **OPEN MEETING ITEMS**

**BOARD MEMBERS PRESENT:** David L. Whitman, Stanton J. Abell, Jr., Peter J. Hutchison, Scott R. Pierson, Patrick T. Tyrrell and Mike Ballard.

**BOARD STAFF PRESENT:** Christine Turk, Executive Director, Kennard F. Nelson, Senior Assistant Attorney General, and Mike Causey, Senior Assistant Attorney General.

**BOARD MEMBER PRESENT VIA CONFERENCE CALL:** Roger L. Jacobson

**VISITORS PRESENT:** Linda Abell, Larry Perry, Lloyd Baker, Herbert W. Stoughton.

**APPROVAL OF MINUTES:** A motion was made by Mike Ballard, seconded by Scott R. Pierson, and carried to approve the May 5, 2008 Minutes as distributed.

**APPROVAL OF TREASURER/BUDGET REPORT:** There was no Treasurer or Budget report presented as it was too early in the month for the year end data to be available. A full report will be presented at the next meeting.

**NCEES ACTION ITEMS:** David L. Whitman presented an overview of the “action items” to be discussed at the upcoming annual meeting in Minneapolis, MN.

**SOFTWARE ENGINEERING:** The Board received a letter requesting support to the NCEES for the development of a professional engineering exam in the branch of software engineering. The Board agreed to support the concept of developing an exam in the discipline; however, Wyoming has not yet graduated any students in the area of software engineering, therefore we can not be one of the required ten (10) state boards making an official request to the NCEES.

**2009 PROPOSED LEGISLATION:** An invitation to attend the meeting and discuss proposed changes to the statutes was sent to all members of PLSW. The invitation was also published on the Board’s web-site. The following individuals were in attendance for the discussion.

Larry T. Perry, Dave Hammond, Alan B. Cormier, Joel Ebner, Cevin Imus, Randy Stelzner, Michael Flaim, Kevin D. Jones, Harry Kessner, Jack Studley, Lloyd B. Baker, Marlowe A. Scherbel, Herbert W. Stoughton and Representative Peter M. Jorgensen.

President Whitman read an e-mail that was received from Mr. Paul Blough which strongly supported the 4 year education requirement for Land Surveyors. Other comments received by the Board ranged from changing the 4 year degree language to a more specific Bachelor of Science in surveying degree, to opposition to the removal of the 2 year degree requirement. The discussion resulted in the Board agreeing to consider all verbal and written comments, and that

all suggested editorial changes be submitted to President Whitman no later than July 31, 2008 for inclusion into the document that will eventually be filed by Representative Jorgensen.

**LETTER TO THE DEAN OF THE COLLEGE OF ENGINEERING:** The current Dean of the College of Engineering has been in his position for nearly one year. The Board directed Christine Turk to write a letter requesting that the Dean complete the application process so that he can become licensed by comity in Wyoming.

**SCHEDULE OF NEXT BOARD MEETING:** The next meeting of the Board is scheduled for November 10, 2008 in Cheyenne.

A motion was made by Pat Tyrrell, seconded by Mike Ballard, and carried to move into Executive Session to discuss disciplinary actions in other jurisdictions, complaints and licensure applications.

After the Closed Meeting discussions were concluded, a motion was made by Pat Tyrrell, seconded by Peter J. Hutchison and carried to move back into Open Meeting. Once back in the Open Meeting, a motion was made by Pat Tyrrell seconded by Scott Pierson and carried to ratify the actions taken in the Closed Meeting.
